Sir:

RECEIVED

DEC 12 2001
TECHNOLOGY CENTER R3700**SECOND PRELIMINARY AMENDMENT IN DIVISIONAL APPLICATION**

In response to the Notice from the Initial Examination Group, the substitute specification is enclosed. The Claims and Drawings remain as previously filed.

Applicant's Attorney certifies that this Amendment and Application have been filed in the United States Patent and Trademark Office by Express Mail Document EE717609015US on 28 Nov. 2001.

IN THE SPECIFICATION

Please cancel the specification and substitute the Substitute Specification enclosed herewith, retaining the Drawings and Claims as filed previously.

REMARKS

The Initial Examination Group rejected the specification, then said it would be processed in response to the Attorney's phone discussion that the original specification is the PCT application, thus is believed to meet all USPTO requirements. The Initial Examination Group
